

Seznam odborných témat pro obor mechatronik a mechanik seřizovač 2025/2026

1. Automation
2. CAD /CAM
3. CNC
4. Computers
5. Safety at work
6. Electricity
7. Electronics
8. Energy production
9. Grinding
10. Machine tools
11. Maintenance
12. Mathematics and geometry
13. Materials
14. Mechanical engineering
15. Metal processes
16. Properties of materials
17. Technical drawing
18. Technological processes
19. Tools
20. Turning
